FOR IMMEDIATE RELEASE

## **COUNTY LINE HARVEST PRODUCE NOW AVAILABLE FOR HOME DELIVERY THROUGH CSA MEMBERSHIP PROGRAM**

County Line Harvest, the roadside produce stand beloved by the residents of Wheeler, WI, has announced the introduction of their Community Supported Agriculture (CSA) program. The CSA program will offer residents of Dunn County an opportunity to have fresh fruits and vegetables delivered directly to their door each month through a small quarterly payment or "share."

CSA programs have become popular throughout the nation for consumers seeking to support local agriculture. County Line Harvest's CSA will offer the residents of Dunn county a monthly box of produce all without the need to drive to the roadside stand.

While each monthly share will vary based on growing conditions and season, an average share might include produce such as raspberries, bell peppers, broccoli, lettuce, parsnips, potatoes, tomatoes, or collards.

County Line Harvest is owned and operated by Lauren and Josiah Bostick. The Bosticks pride themselves on not using pesticides or genetically modified crops on their farm. The County Line Harvest property has been in the Bostick family since 1896 and features the original farmhouse and barn on fifteen acres of land.

For more information on the County Line Harvest CSA program such as current pricing and delivery schedules, please contact Josiah Bostick at (715)387-8454 or [countylineharvest@gmail.com](mailto:countylineharvest@gmail.com).
